City of Kingston Announces “Movies Under the Stars” Summer 2016 Schedule

The City of Kingston is pleased to announce the Summer 2016 schedule for its “Movies Under the Stars” outdoor movie program.

Established in 2011 by a group of community volunteers, “Movies Under the Stars” will continue its tradition of connecting local residents and visitors to Kingston’s beautiful parks and public spaces through a series of outdoor movie events.

The program is being spearheaded by a number of volunteers and city staff, with Carly Winnie and Suzanne Cahill, two of the program’s founding members, leading the planning committee. Ms. Winnie, who also serves as the City Clerk, is looking forward to another successful year. “I have been involved with Movies Under the Stars since its inception because I believe in providing free family entertainment to our residents and neighbors,” stated Ms. Winnie. “We have scheduled some wonderful new movies this year and I hope everyone will join us for another great summer at the movies!”

“This is an excellent opportunity for individuals and families to enjoy a free, fun night out. My son is already counting down the days until the first movie,” stated Mayor Steve Noble. “I want to thank our staff and volunteers who are working together to keep this great free program going in our community.”
